

DISCOVER DJ PRO

DJ STATION

DJ with your computer, your iPod or both!

DISCOVER DJ PRO is a complete DJ system that works with the music on your Mac or PC - and your iPod. It's designed to directly connect to your computer so you can mix your favorite tracks with performance DJ controls. Plus, you can dock your iPod or iPhone to play tracks or record your mix. DISCOVER DJ PRO gives you the classic two-turntables-and-a-mixer setup used by DJs everywhere. You can scratch, mix, loop, and much more. DISCOVER DJ PRO also has all the inputs and outputs you'll need for your headphones, speakers, and a microphone. DISCOVER DJ PRO is also ultra-portable, so you can grab it and go, ready to DJ anywhere.

iPhone, iPod, iPod classic, iPod nano, iPod shuffle, and iPod touch are trademarks of Apple Inc., registered in the U.S. and other countries.
